

明愛屯門馬登基金中學
2021-2022 年度 家長通告

敬啟者：

誠邀家長參與本校第 42 屆畢業禮暨校本職業專才啟動禮

5 月復課至今已 1 個多月，疫情已漸見舒緩，學生和教職員每天都遵照教育局的要求完成冠狀病毒快速抗原測試(簡稱「快測」)，並確認是「陰性」後方可回校，我們亦為忘記「快測」的同學，提供回校「補測」，以便確保全校師生安全，由最初每天 20 多位同學補測，慢慢降低至每天幾位，而其他防疫措施亦嚴格執行。現時中五級學生疫苗接種率已達 90%，由 27-5-2022 開始全日面授課，中四級也接近 9 成，亦會盡快全日面授。

本月底(30-6-2022)是屯馬第 42 屆畢業禮暨校本職業專才課程啟動禮，今屆畢業學生合共 45 位，當中有 9 位已獲內地大學錄取(包括暨南大學)，3 位已透過本校與台灣實踐大學的保送計劃(「摘星計劃」)錄取，另外，約有 3-5 位非華語學生預計會透過免試保送計劃(「生源基地」)獲內地大學(北京外國語大學、南方醫科大學及廣東外語外貿大學)錄取；今年亦有 6 位學生修讀明愛社區書院的「毅進課程」，預計可銜接下學年(2022-23 年度)明愛專上學院(以下簡稱「明專」)或其他院校的高級文憑課程，總計本屆畢業生當中約有一半在香港中學文憑考試放榜前已確保可以繼續升讀大學，預計今屆的大學錄取率會超越上屆。

至於啟動禮方面，我們會與明愛專上學院(待正名為「聖方濟各大學」)簽署合作備忘錄，下學年(2022/23)開始，我們會與明專合作開辦兩個銜接明專高級文憑及學位課程的「校本職業專才課程」，分別是「網路主播製作課程」(與設計學系合辦)及「款待管理實務課程」(與商業及款待管理學系合辦)。兩個課程均以實務為本，配合文憑試相關科目，達致理論與實務並重，課程由明愛專上學院設計系及商業及款待管理學系導師教授，部分課堂在明專上課，附以真實的職場體驗，讓學生可以體驗大學學習和真正職場的實況，課程以文憑試相關科目內容和明專相關的高級文憑及學位課程為藍本，收畢課程及合格的學生可以直接修讀相關的高級文憑及學位課程(符合其他入學條件)，同時學員亦可報讀其他院校相關的高級文憑及學位課程。

這兩個是本校與專上學院合辦的首兩個合辦課程，亦是全港首個中學與專上學院合辦的銜接課程，我們已計劃與明專合作開辦其他銜接課程，包括與醫療及社區健康服務相關科目、與社會服務相關的科目、與數碼科技及人工智能的科目、與幼兒教育相關的科目等，當然屯馬學生同時會繼續透過大學聯招入讀其他院校，加上我們與內地和台灣大學的保送計劃，正如我們給家長的承諾：屯馬成就大學夢，我們會一個也不會少，為每一位屯馬學生成就大學夢。

在此，誠邀各位家長於 6 月 30 日參與屯馬第 42 屆畢業禮暨校本職業專才啟動禮。家長可透過登入 TEAMS 系統出席典禮(直播網址：tmmarden.edu.hk/live 或 掃描二維碼)。

此致
貴家長

校長

袁國明

謹啟

二零二二年六月二十八日

28 June 2022

Dear Parents/Guardians,

**Invitation to the “42nd Graduation Ceremony cum
school-based VPET Course Launching Ceremony”**

COVID-19 epidemic situation has improved ever since the resumption of face-to-face classes in May. From then on, all teaching staff and students comply with the Education Bureau's instructions to complete a Rapid Antigen Test (RAT) each day and will only return to school if they obtain negative test results. In order to safeguard the health of teachers and students, we would assist students to conduct the tests at school if they did not do so before returning to school. The number of students who need to undergo a RAT at school has decreased gradually from more than twenty at the beginning to just a few recently. Besides doing the tests, the school also continues to strictly put in place the various anti-epidemic measures stipulated by the government. The vaccination rate of S.5 students has already reached the 90% requirement. Therefore, whole day face-to-face classes for S.5 students have already resumed since 27 May 2022. For S.4 students, the vaccination rate is almost 90%, which means that their whole day face-to-face lessons will resume very soon.

The 42nd graduation ceremony cum the launching ceremony of the school-based Vocational and Professional Education and Training Programme (VPET) will be held at the end of this month (2022.6.30). Out of the 45 graduates this year, 9 have been admitted to Mainland universities (including Jinan University) while 3 have been admitted through our Principal Nomination Scheme with Shih Chien University in Taiwan (Project “STAR”). In addition, 3 to 5 non-Chinese speaking students are expected to be admitted to Mainland universities (namely Beijing University of Foreign Studies, Southern University of Medical Sciences, and Guangdong University of Foreign Studies and Foreign Trade) through the Recommendation for Admission Scheme (as CTM was accredited as the “Admission Foundation for International Students”) which exempts Hong Kong students from admission exams. Besides, 6 students enrolled in the “Diploma Yi Jin” of Caritas Institute of Community Education this year and are expected to articulate to the Higher Diploma Programmes in Caritas Institute of Higher Education (“CIHE”) or other institutions in the next academic year (2022-23). This means that about half of the graduates will be admitted to universities prior to the result release day of the Hong Kong Diploma of Secondary Education (“HKDSE”) Examination. The admission rate of this year's cohort is expected to exceed that of the previous cohort.

Concerning the launching ceremony, we will sign a Memorandum of Understanding with Caritas Institute of Higher Education (to be renamed as St. Francis University) to offer two “School-based Vocational and Professional Education and Training Programmes” that will articulate with Caritas Higher Diploma and Degree programmes starting from the next academic year (2022/23). These programmes include the “Web Host Production Programme” (jointly offered with the Department of Design of CIHE) and the “Tourism and Hospitality Management Practice Programme” (jointly offered with the Department of Business and Hospitality Management of CIHE). Both programmes are practical and are coupled with relevant subjects of the HKDSE Examination in order to achieve a balance between theory and practice. The courses are taught by instructors from the Department of Design and the Department of Business and Hospitality Management of CIHE. Students who have completed and passed in the programme can directly enrol in the relevant higher diploma and degree programmes (provided that other admission requirements are fulfilled). They can also enrol in relevant higher diploma and degree programmes in other tertiary institutions.

These two programmes are jointly offered by our school and CIHE, which are also the first two joint-programmes collaborated by a secondary school and a tertiary institution in Hong Kong. We have already planned to offer other articulation programmes in collaboration with CIHE, which will be related to subjects such as medical and community health services, social services, digital technology, artificial intelligence, and early childhood education and so on. Although CTM students now can have more pathways to universities, they will certainly continue to apply for undergraduate programmes through the Joint University Programmes Admissions System (commonly known as JUPAS). In addition, CTM students will be guaranteed a university place through our “Recommendation For Admissions Schemes” with various universities in mainland China and Taiwan. As we promised our parents, we will help every CTM student achieve their dream of university education.

Lastly, we would like to invite all parents to join us for the “42nd Graduation Ceremony cum school-based VPET Course Launching Ceremony” on June 30. Parents can attend the ceremony online through the TEAMS system (Direct URL: tmmarden.edu.hk/live or scan the QR code in this notice).

Yours faithfully,

Mr. Yuen Kwok Ming
Principal
